1. Go over transcript **(December 17th preliminary discussion - 3:00pm)**

shooks and borelli: science
media: Humber
EPA letters: Lisa and Bob

2. Process letter **(Dec. 14th)** - Bob Herbolsheimer
Letter will be addressed to Barnes? regarding procedure of all actions to be taken post-SAB meeting for clarification purposes. Specific questions will be asked about SAB review of the redraft, executive committee review and other procedural questions...

3.Complaint Letter to Barnes re: irregularities at SAB meeting**(Dec 21)**
use transcript as a basis for discussion
- industry letter
- letters from scientists who presented papers
- letters from scientists who did not present (Clayton-Kilpatrick)
- letters from other interested scientists(Feinstein)
- cc: Congress and White House officials

4. EPA Reconnaissance (December 17th discussion)
- Lisa and Bob will talk with EPA folks (status of risk assessment and policy guide, pr plans for ETS Risk assessment and policy guide
- We must use Charlie Black for WHite House/Bromley contacts interagency temperature reading (EPA/HHS/ OSHA joint statement)
- Humber to get Lippmann press conference film/transcript
- Lisa to get Ken Brown presentation
- Lisa to get Brettauer Letter re: Radon
- Lisa to assess ETS risk assessment as it fits into "Reducing the Risk" recommendations

5.EPA technical assistance
- Get panelist to request or get support for minority report
- Get panelist to agree to perform major oversight of SAB report in process(stall tactics acceptable)

-Figure out way to appeal to the criticisms made by individual panelists (distribute complaint letter or other types of issue specific commentary to the panel members

-Will EPA require redraft to undergo internal peer review before it is put in final

-Request new review by new panel

-Status of literature compendium

Chilcote response

-Executive committee

when will they meet

obtain "new information" to be basis for industry presentation

(Netherlands report? new studies?)

6. Review all promises made to industry etc. by Reilly/Bliley etc

7 White House/OMB/etc

- Attract White House attention
- Bromley
- OMB - Policy Guide review

8. Participation in upcoming technical meetings

9. Legal Action

- FACA
- After we lose

10: MEDIA

- Humber to find out when 20/20 and PBS and THE BOYS will air

Legal plan

OSHA plan - early Jan

Media
